June 16	Gr. 6 Promotion
June 17	Field Day, Full Day Wednesday
June 18	Last Student Day, ½ day

Dear Families,

It is so nice to finally have some beautiful spring weather! This is always an exciting and busy time of year in school; students are deep in their learning with engaging projects and activities, while at the same time we are starting to plan for next year.

As we move into the last weeks of school, we will continue to work towards our educational goals. While we want the end of the year to be fun and full of great activities, we need to stay the course and keep an eye on our goals. Fairview will continue to LEAP until the last day of school!

Fairview News May 2015

Planning for Next Year

We strive to provide the best learning environment for your child. However, if you feel there are special needs or circumstances that may assist staff in this determination, please complete the **Student Profile Form** that was sent home. This information assists us in making decisions that are best for students. Please remember, we have excellent teachers who work hard to meet the needs of all children and we do not accept requests for specific teachers.

Footsteps for Fairview Walk-a-Thon!
Thank you to all who participated. \$1,583 was raised to support our playground!

what's happening

Fairview's Got Talent!

The 5th and 6th grade drama club presented their spring presentation of *Fairview's Got Talent*. It was a great show filled with singing, dancing, comedy, and magic! A special thanks to Mr. Vincent, Mrs. Jalbert, and Miss Hammond for volunteering their time!

GMRI

Fifth Graders traveled to the *Gulf of Maine Research Institute* to take on the role of scientists and conduct their own hands-on research in a state-of-the-art learning laboratory. This was an opportunity for students to investigate the Gulf of Maine and the many systems it comprises.

Congratulations to all of our Special Olympic Track and Field Athletes who competed at Bates College!

Math Meet

Grades three and four enrichment students recently attended Auburn Math Meets to complete very challenging math problems both individually, and on teams with students from other Auburn schools. Winning a first place medal for individual rounds at the fourth grade meet was Andrew Casares, while a third place medal was awarded to Trenton White.

Grade 4 students will be heading to the **Lewiston Public Theater** to see **Bodyology**. The National Bodyology Tour is an exciting performance starring PBS's Slim Goodbody exploring the inner workings of the human body along with the health practices required to care for it.

Thank you to **Agren Appliance** for making this trip possible!

- The last PTO meeting and volunteer thank you dinner is Tuesday, the 19th. Dinner from DaVinci's at 6pm, meeting at 6:30pm in the library. Free babysitting provided as usual!

- PTO Fundraiser: Come to Buffalo Wild Wings -Wednesday, May 20th. We will receive 10% of all proceeds. Kid meals are only \$1.99!

- A special thank you to our PTO for providing a wonderful breakfast to staff for Teacher Appreciation Week!
